

Game Overview

3 Buzzing Wilds™

3 BUZZING WILDS™

Game Description (for Players)

Swarm around a sweet slot with 3 Buzzing Wilds™.

Set in a garden paradise, insects fill this 5x4-reeled title and must form a matching combination across the game's 20 paylines to award a win. Wilds aid players in creating these wins and can trigger various game-altering effects, such as providing a wild reel or transforming all adjacent symbols into wilds, increasing the slot's winning potential!

At least three beehive scatters are needed to unlock the slot's bonus round, where players can pick between three alternate features. Here, wilds will transform and continually provide one of the base game mechanics such as providing wild reels. This allows players to engage with the slot in their own way, whilst offering plenty of replayability.
