

GAME OVERVIEW

3 DANCING MONKEYS

\$100

Game Description (for Players)

Ways, Wilds and Wins hit the dancefloor in 3 Dancing Moneys™.

This Asian-inspired slot depicts a fan fare of traditional symbols, from oriental lamps, fans and jars that must form a matching combination across the slot's 5x3 reels to unlock a win. Joining our monkey friends on the reels are three vibrantly coloured gems, each having the ability to trigger a game-altering feature to help players claim the slot's max win of over 12,000x!

10 free spins are granted in the bonus round, where at least two modifiers will be active. These can increase the size of the reels to become 5x5 in size, award more wilds or increase winning possibilities via a multiplier mechanic. Players can be further awarded additional spins by landing additional gems that trigger more monkey features!

These are the GEM symbols. They can appear on all reels.

Each of the GEMS is associated with one different modifier for the FREE SPINS round.

Whenever one or more GEM symbols hit there is a random chance that the FREE SPINS feature will trigger. For each gem that hits on the triggering spin 5 free spins are awarded. Depending on what GEMS hit on the triggering spin one of the following modifiers is awarded for the subsequent FREE SPINS round:

Triggering the spins with RED GEM awards the WAYS modifier. During the round, the screen changes to a 5x5 grid of symbols.

Triggering the spins with GREEN GEM awards the WILDS modifier. During the round, more WILD symbols are added to the reel strips on reels 2, 3 and 4.

Triggering the spins with BLUE GEM awards the WINS modifier. During the round, all WILD symbols carry a multiplier of 2x, 3x or 5x. The multiplier applies to all winning combinations that pass through that WILD. If more than one WILD are present in the same winning combination their multipliers multiply each other.

During the round, whenever a GEM symbol hits, there is a random chance for it to enable its associated modifier if it was not triggered at the beginning of the round for the remainder of the FREE SPINS feature. When that happens, 5 additional free spins are also awarded.

This is the MYSTERY symbol, it appears only during the FREE SPINS round.

Whenever it hits, it transforms into either a number of additional free spins or a direct money value that is awarded instantly.

Possible number of additional free spins are 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 12, 15, 20, 25, 30 or 42.

Possible money awards are 30, 35, 40, 45, 50, 60, 70, 80, 100, 200, 250, 1000, 5000 x bet per line.

Special reels are in play during the round.
