

GAME OVERVIEW

AFRICAN ELEPHANT™

Game Description (for Players)

Patterns of wilds call the savannah home in African Elephant™.

Played across 5×4 reels, this slot is home to symbols depicting rhinos, leopards, zebra and other African animals, which are also joined by elephant wilds that substitute all other symbols in the game except the free spin awarding scatters.

African Elephant™ also has an innovative pattern mechanic. During any spin, patterns form across the reels marking certain positions, which transform into wilds once the spin is over. Three scatters are needed to award 10 free spins where the pattern mechanic is activated more often and boosts the game's winning potential to majestic new heights.
