Game Information

Bigger Bass Blizzard Christmas Catch™

The lake may be frozen over but wins can still be caught in Bigger Bass Blizzard Christmas Catch™

The slot is played across 5x4 reels which sees iconic returning symbols have a winter makeover as rods, reels and now snowmobile symbols fill the board. These are joined by scatters with three or more needed to unlock the free spins round.

Here, instant cash prizes are collected by the fisherman wild with four needing to be collected to progress to the next round, retriggering the spins and awarding an incrementally increasing multiplier. Celebrate the winter season in style with Bigger Bass Blizzard Christmas Catch™.

Game Information

Screen size:

- 4x5 – screen size
- 12 win lines, pay left-to-right
- 12/18(ante) bet multiplier

12 Symbols:

- 9 regular symbols
- 1 Wild: doesn't pay
- 1 Scatter: doesn't pay, triggers Free Spins
- 1 Money symbol: pays as regular too

Base Game:

- Regular symbols pay left-to-right according to the paytable
- Line of 5 fish pays the sum of cash values.
- Hook feature: when there is two or more scatters on the screen, there is a chance that a hook will drop at the top of the aperture to then move that reel up to award one more scatter

Game Information

Free Game:

- 3 or more Scatters trigger the Free Spins:
 - 3 Scatters give 10 Free Spins
 - 4 Scatters – 15 Free Spins
 - 5 Scatters – 20 Free Spins
- Fisherman collects the money values from fish
- On every spin we collect the number of landed fishermen: each 4th fisherman triggers the next stage and add +10 free spins when other freespins at the current stage have been exhausted.
- Free Game has 4 stages:
 - stage 1 – fisherman win multiplier is x1
 - stage 2 – fisherman win multiplier is x2
 - stage 3 – fisherman win multiplier is x3
 - stage 4 – fisherman win multiplier is x10.
- The player can only move 1 stage at a time if the right number of fishermen have been collected.
- The maximum number of collected fishermen – 12. More fishermen won't affect the game flow or add additional free spins.

Game Information

Free Game:

- Dynamite feature: additional feature only during freespins, is that a spin can present one or two fishermen with no fish cash symbols in view. The fishermen / fisherman will throw a dynamite, and some fruit symbols will explode to be replaced by fish with cash values. The cash fish is then collected in the normal way.
- Hook feature: A hook will drop from the top of the reel aperture (1 or 2 hooks) and essentially "hook" the reel up to show the fish and fishermen that were hiding below the reel aperture. The fishermen now collect the fish cash values as normal.

Ante Game:

- Before every spin, the player can choose to pay extra credits for the spin.
- This will give the player a higher chance to trigger the Free Games Feature
- The cost to the player is 18 credits instead of 12.
- Purchase is unavailable

MONEY SYMBOL

This is the **MONEY** symbol.

At every spin the **MONEY** symbol, takes a random money value from the following: 2x, 5x, 10x, 15x, 20x, 25x, 50x or 4000x total bet.

The fish paying symbols are also **MONEY** symbols. At every spin, the fish take a random money value which can be won during the **FREE SPINS** feature.

FREE SPINS

Hit 3, 4 or 5 **SCATTER** symbols anywhere on the screen to win 10, 15 or 20 free spins respectively.

Whenever only 2 **SCATTER** symbols hit in the base game there is a chance that randomly a hook will appear and bring a third **SCATTER** into the screen to win the feature.

During the **FREE SPINS** feature each **WILD** symbol also collects all the values from **MONEY** symbols on the screen.

All the **WILD** symbols that hit during the feature are collected until the end of the round.

Every 4th **WILD** symbol collected, retriggers the feature, awards 10 more free spins and the multiplier for **MONEY** symbol collection increases to 2x for the first retrigger, 3x for the second retrigger and 10x for the third retrigger.

The retriggered spins are played after the previous batch of free spins ends.

The multiplier applies to the retriggered spins.

After the third retrigger, the feature cannot be retriggered anymore.

Randomly, when there are only 1 or 2 **WILD** symbols on the screen, at the end of a free spin, fish **MONEY** symbols can appear in random positions.

Randomly, 1 or 2 hooks can appear at the end of a spin and pull the reels up to reveal **WILD** and **MONEY** symbols.

Special reels are in play during the feature.

MAX WIN

The maximum win amount is limited to 4,000x bet. If the total win of a round reaches 4,000x bet the round immediately ends, win is awarded and all remaining features are forfeited.

ANTE BET

The player has the option to select the bet multiplier. Depending on the selected bet, the game behaves differently. The possible values are:

Bet multiplier 18x - the chance to win the respin round naturally is higher. More SCATTER symbols are present on the reels. The BUY FREE SPINS feature is disabled.

Bet multiplier 12x - Normal play.

BUY FREE SPINS

The FREE SPINS round can be instantly triggered from the base game by buying it for 100x current total bet. When buying the FREE SPINS round, on the triggering spin 3, 4 or 5 SCATTERS can hit randomly.

GAME RULES

VOLATILITY ⚡⚡⚡⚡

High volatility games pay out less often on average but the chance to hit big wins in a short time span is higher

All symbols pay from left to right on selected paylines.

All wins are multiplied by bet per line.

All values are expressed as actual wins in coins.

Only the highest win is paid per line.

When winning on multiple paylines, all wins are added to the total win.
