

GAME OVERVIEW

DRAGONTM

HERO

Game Description (for Players)

A taste of the Orient awaits players in Dragon Hero™.

The title is home to symbols depicting fish, toads and more that must form matching combinations across the slot's 5×4 reels to award a win. These are joined by mythical dragons that hold the key to huge wins, with each symbol being able to award up to three randomly placed wilds across the game board!

Three scatters are needed to award the free spins round with at least six spins being awarded. However, spinning wheels prior to entering the thrilling bonus can award even more spins. In the bonus round, dragon symbols are held in place distributing their wilds continually for each spin, further boosting the big win potential.

Game Information

14 Symbols:

- 1 Scatter
- 2 Wilds
 - **Super Wild** may have levels 1, 2, 3
 - Normal **Wild**
- 11 regular

FREE SPINS FEATURE

Hit 3, 4 or 5 SCATTER symbols to trigger the FREE SPINS feature and get 6, 8 or 10 bonus wheels respectively. Before the round starts, the wheels will spin and award 1, 2 or 3 free spins each, randomly.

During the round all SUPER WILD symbols that hit remain on the screen until the end of the round, sending WILDS to random positions on the screen after every free spin.

When SUPER WILDS hit, they hold 1, 2 or 3 WILDS randomly. Every time a SCATTER symbol hits, it adds half of WILD to a random SUPER WILD currently on the screen. When a full WILD has been collected on a SUPER WILD, from that moment on, that SUPER WILD will send one more WILD.

WILDS sent by SUPER WILDS can overlap on the same position.

The feature cannot be retriggered.
Special reels are in play during the feature.

MAX WIN

The maximum win amount is limited to 5,000x bet. If the total win of a round reaches 5,000x bet the round immediately ends, win is awarded and all remaining features are forfeited.

BUY FREE SPINS

The FREE SPINS round can be instantly triggered from the base game by buying it for 100x current total bet. When buying the FREE SPINS round, on the triggering spin 3 SCATTER symbols are guaranteed to hit.

GAME RULES

VOLATILITY ⚡⚡⚡⚡⚡

High volatility games pay out less often on average but the chance to hit big wins in a short time span is higher.

All symbols pay from left to right on selected paylines.

Free spins win is added to the payline win.

All wins are multiplied by bet per line.

All values are expressed as actual wins in coins.

Only the highest win is paid per line.

When winning on multiple paylines, all wins are added to the total win.

Free spins round win is awarded to the player after the round completes.

Free spins round total win in the history contains the whole win of the cycle.
