GAME OVERVIEW: FISHIN' REELS™

Frenzy Fishing

Special Fisherman symbol landing on reel 5 triggers the payment for the prizes of any "money symbol" (Fish) which land on reels 1-4.

There are 9 possible prizes linked to Fish symbols: 8 multiplier prizes and 1 +2 Free Spins symbol which can be won from the feature.

When the Fish symbols land and a Fisherman does, the fish prizes are collected.

The Fish symbols will not pay on the win-lines.

One Fish will represent +2 additional Free Spins.

Big Catch

In this free spin mode you play regular spins on a different reels set with a probability of getting overlaying The Big Catch symbols on any reels.

3-5 of these which land in view will trigger The Big Catch Fishing bonus and you'll be taken to a new location.

On each free spin session 8 fish are selected, each fish corresponds to some coin multiplier value.

If The Big Catch Fishing bonus was triggered then the player is rewarded with one of available fish, the won fish is removed from the list of available ones.

After 8 fish have been caught, the overlaying The Big Catch symbols will no longer be present on reels.

Retriggers (3-5 overlays) award 2 extra free spins and The Big Catch Fishing bonus.
