

GAME OVERVIEW

Jasmine Dreams™

Game Description (for Players)

Rest assured, Jasmine Dreams™ is packed full of wild wins.

Played across 5×3 reels Jasmine Dreams™ has symbols depicting rings, treasure chests, swords and more, that are also joined by a wild symbol. This wild is large enough to fill an entire reel if you are lucky enough to land it in the right spot and will make it easier for players to create wins.

Three scatters award six exciting free spins where these large wilds can nudge up or down the reels, once landed, to award a wild reel. The bonus round also has an overall game multiplier that increases with each additional wild symbol in view.

With wild reels in play in both the base game and free spins round, this slot is not to be slept on!
