

GAME OVERVIEW

THE DOG HOUSE MULTIHOLD™

Game Description (for Players)

Fetch an upgraded version of a player favourite in The Dog House Multihold™

Played across 5×3 reels, familiar symbols return with different breeds of dogs, bones and collars needing to be landed across the title's 20 paylines to award a win. Three scatter symbols award seven free spins where any multiplier wilds landed are held throughout play.

During the thrilling free spins round, additional scatter symbols landed are collected with three of these needed to award a retrigger of up to three spins. This retrigger also grants an extra play screen, onto which all previously held wild multipliers are transferred. This process can be repeated until there are a total of four individual game boards in play at one time!
