DUEL

Game Description (for Players)

It's high noon... Draw and fire to secure wild reels!

There's a new sheriff in town in Wild West Duels™, a cowboy-themed slot with multiple bonuses available to players. The 5×5 reels are filled with cowboy hats, boots and more which must form matching combinations across the 15-payline grid for players to be awarded a win.

There are three different bonuses packed into this release. In the Lost Relic bonus, players dig for wilds and multipliers which will be available across 3 subsequent spins.

The Duel bonus has 10 spins available and expanding wild reels with multipliers attached that can offer varying prizes depending on the outcome of a duel. The Beer free spins have multiplier wilds which are held across all 10 spins. Prepare for many wild wins in this western style hit.
