DUNGEON QUEST

Enter a magical world and join our four heroes on there quest for riches! Four brave souls seek the legendary treasures of Khordor, hidden in the depths of Mount Behadh. Our heroes quest takes them straight down into the dungeon leading to the heart of the mountain.

Dungeon Quest is a slot with 29 fixed betlines on a 5x7 reel area and adjacent reel pay instead of the traditional left to right. With a bigger reel area that suits perfectly for the mobile portrait mode. With two main game random features and a freespins with sticky wild this game will keep the players on their toes.

Game Features

Dungeon Quest is a 5x7 adjacent reel pay slot, which means as long as symbols are adjacent on a win line there is a win. The game is all about enhancing symbols.

In main game the low value orbs can be upgraded with two random features and the freespins will alter the low value orbs to become sticky Wilds for rest of the future.

Power Stone

On any spin in main game the Power Stone feature may randomly trigger, a 2x2 area will become wild and all occurrences of one of the Ore symbols will also turn into Wild.

Gem Forge

The Gem Forge feature is randomly triggered in main game. When triggered one of the Ore symbols is randomly picked and will replace all other Ore symbols on the reels. On top of that all Ore symbols that land will turn into its corresponding Gem symbol for a bigger win.

Alchemy Spins

Landing 3 Scatters will award Alchemy Spins. The four awarded spins focuses on one Ore symbol at the time. The Ore symbol will one by one turn into wild and remain in its position during the entire feature.
