Fruits is a video slot with 116 fixed lines on a 6-reel area, with 12 delicious symbols that spins individually in each reel position. The reel area adapts to what orientation you use on your device, all to give you the best possible game experience on mobile and tablets.

Game Features

Fruits has a 223333 reel area, that adapts to the orientation of your mobile device. The 116 fixed lines either pays from left to right, or top to bottom depending on landscape or portrait mode.

Main game consists of three prominent features
- Lightning Rounds, Sticky Fruit Spins and Mystery Wrappers.

Lightning Rounds

Landing 3 or more Lightning Bolt symbols triggers the Lightning Rounds feature, awarding you 5 spins to collect as many Lightning Bolt symbols as possible in the 4x3 reel area. Landing additional upgrade symbols or extra spins, will enhance the payout. Payout is evaluated times your bet, and there is no cap on the number of upgrades you may get...

Sticky Fruit Spins

Awarded by landing 4 of the same symbol on the first two reels in main game. This will start a respin and continue as long as you land additional winning symbols. All symbols will stick during the respins.

Mystery Wrappers

Triggered by any spin in main game, where 4-9 positions will get a Mystery Wrapper overlay that will reveal one symbol before the reels stop. It may trigger the Sticky Fruit Spins if you're lucky!
