

GAELIC GOLD xNUDGE®

Gaelic Gold xNudge is a classic 3x3 reel video slot with Nolimit City's trademarked xNudge mechanic to really find the pot of gold at the end of the rainbow.

Reintroducing the wild multiplier feature xNudge® in both main game as well as the bonus game - Rainbow Spins - both hold major potential with its xNudge mechanic.

Gaelic Gold xNudge is available with a dual RTP setup at 96.15% and 94.42% (DX1).

Game Features

Gaelic Gold brings the trademarked xNudge® feature into a 3x3 reel area, both in main games as well as the Rainbow Spins. The coin modifiers brings new characteristics to each free spin round where it awards more spins, extra multiplier or added rainbow lines.

xNudge® Wild

A 3-row high Wild symbol exists on all reels and will always nudge to fully visible. Each nudge increases the Wild multiplier by 1. Several Wild multipliers add to each other for a total Wild multiplier on the line win for huge wins!

Rainbow Spins

Landing the Pot of Gold bonus symbol on the middle position on the middle reel will trigger Rainbow Spins. The player is awarded 5 rainbow spins, but may be awarded further modifiers such as increased win multiplier, extra spins and added rainbow lines.

Nolimit Bonus - Feature Buy functionality

A new promotion feature has been introduced - **Nolimit Bonus** - which allows the players to buy the Rainbow Spins.

** The Nolimit Bonus feature may however be removed in some regulated markets.*
