With the beautiful art deco style and fancy glittery dresses Manhattan Goes Wild brings a little old fashion rich flavour to Nolimit City game portfolio.

Focus is on the two main characters Bugsy and Betty being the main attractions. Both are stacked on the reels and may go Wild and act as a Wild symbol, combined with stacked Wilds in the game and the 243 win ways there is great potential!

Manhattan Freespin allows all high paying symbols turn Wild! Enjoy the cocktail party and hope they all go Wild!

Game Features

Manhattan Goes Wild is a bonus packed game with focus on two main characters enjoying a cocktail party where symbols turn into Wilds.

Manhattan Freespins

Getting 3 or more scatters will transport the game to an evening setting where all high paying symbols can turn to Wilds. Collect all high paying symbols to fill its corresponding meter, to turn the symbols into Wilds for that spin and award extra spins.

Bugsy / Betty Goes Wild

Randomly triggered on each spin and during this spin all Bugsy/Betty symbols will become Wilds. With the symbols being stacked and the regular Wild as well it can give some nice hits.

Wild Party Respins

Landing both Bugsy and a Betty symbols covering the entire reel will trigger a respin with the landed stacked become locked in Wilds. Any additional stacked Bugsy and Betty covering the entire reel will have the same behaviour for a massive respin potential.
