GAME FEATURES

The Seance

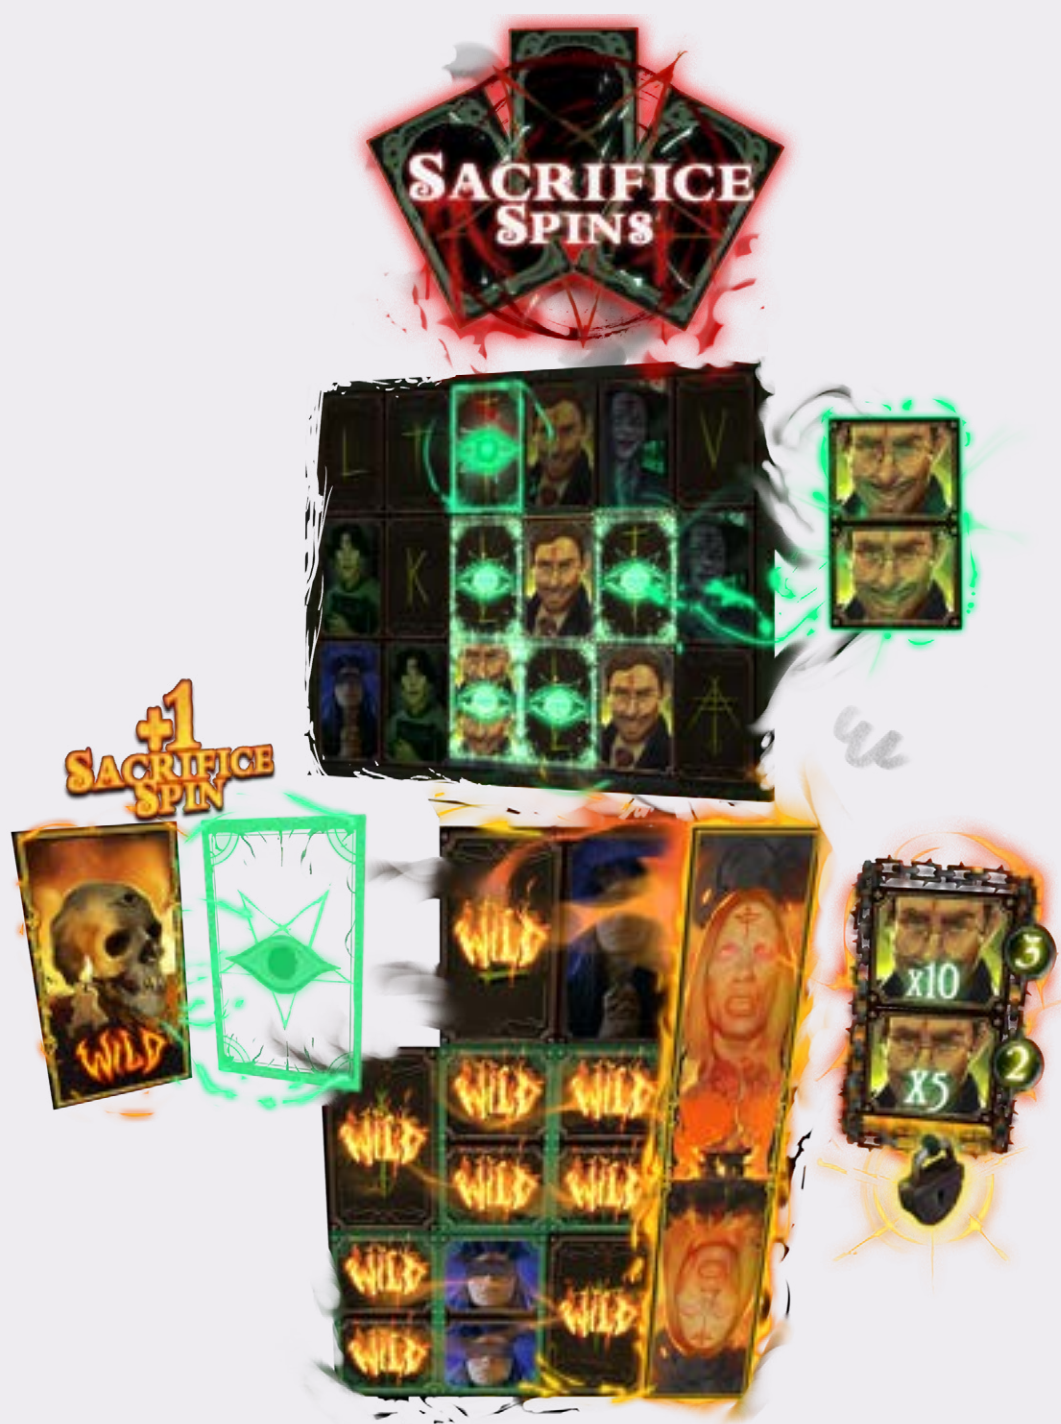

Landing 3 Scatter symbols awards 7 spins of The Seance bonus mode.

Three All Seeing Eye frames will be activated at the start of the bonus mode and all symbols that land within the frame will be split into two symbols. The All Seeing Eye frames will move randomly across reels 2-5 on every spin.

The sixth reel will be open during the Seance, which will hold True Believer symbols and Tarot multipliers. Tarot Multiplier symbols will turn into one of the Devotee symbols with an additional symbol multiplier. If the symbol multiplier isn't used, it will be saved for next time the same symbol lands. Once transferred to the reel, the multiplier will be removed.

If an additional Tarot Multiplier lands and reveals the same Devotee symbol as already collected, the highest multiplier will be collected and the symbol multiplier count will be updated. The count signifies how many of that symbol that may be upgraded with the Tarot Multiplier.

Landing the Skull Wild symbol will award +1 spin and award an additional All Seeing Eye frame. If the Skull symbol lands within an All Seeing Eye frame it will turn into a double wild, but won't award an additional All Seeing Eye.

Sacrifice Spins

Landing 4 Scatter symbols awards 10 Sacrifice Spins.

Four All Seeing Eye frames will be activated at the start of the bonus mode and all symbols that land within the frame will be split into two symbols. The All Seeing Eye frames will move randomly across reel 2-5 on every spin.

The sixth reel will be open during The Sacrifice, which will hold True Believer symbols and Tarot Multipliers. Tarot Multiplier symbols will turn into one of the Devotee symbols with an additional symbol multiplier. The symbol multiplier will be sticky and saved for the remainder of the bonus mode and transferred to the reel every time the symbol lands.

If an additional Tarot Multiplier lands and reveals the same Devotee symbol as already collected, the highest multiplier will be collected and the symbol multiplier count will be updated. The count signifies how many of that symbol may be upgraded with the Tarot Multiplier.

Landing the Skull Wild symbol will award +1 spins and award an additional All Seeing Eye frame. If the Skull symbol lands with an All Seeing Eye frame it will turn into a double wild, but not award an additional All Seeing Eye.
