

KING OF THE STREETS

King of the Streets

Take over the city in King of the Streets, a gritty 6x6 Avalanche slot set in the heart of New York, where street smarts and bold moves can earn you up to 15,000x your bet!

At the core of the action is the Coin Cluster™ feature—land clusters of Coin symbols to score big, then watch them merge into a single high-value Coin for even more winning potential. When the Multiplier Safe lands, it brings the heat—boosting your total win with a multiplier of up to 500x!

Hit 3 Bonus symbols to unlock Free Spins, where things get serious. Every Multiplier Safe becomes persistent, sticking around and stacking throughout the round to create explosive, escalating payouts. And in Super Free Spins, the stakes climb even higher.

King of the Streets brings raw urban energy and relentless reward potential in a fast-paced slot experience. Hustle hard, spin smart, and prove you've got what it takes to rule the reels!

In response to evolving player preferences in gameplay, Slotmill games incorporate three integrated excitement-enhancing features: 'Burst Mode,' 'Fast Track,' and 'Xtra-Bet.'

Burst Mode functions as an enhanced auto-play, completing two game rounds per second.

Fast Track provides players with the option to access the games' bonus features directly, while Xtra-Bet enables players to augment their bets, thereby increasing their chances of winning a bonus round. These features have garnered immense popularity among players.
