

Lucy Luck and the Quest for Coins

Join Lucy Luck on her latest adventure as she returns for an all-new quest overflowing with hidden chests, cascading wins, and mountains of coins. Lucy Luck and the Quest for Coins is Lucy's most feature-packed adventure to date, an action-packed cluster slot where every win shatters layers of blocks to uncover secret spaces and treasure-filled chests beneath. Featuring Coin Cluster™, coin wins merge together to create even bigger rewards before fresh avalanches bring new opportunities.

Charge up Lucy's meter with every winning symbol to unleash explosive sprays of coins and wilds, pushing the overall multiplier higher with each step. The free spins bonus takes the adventure further as progress carries over between rounds, letting multipliers and uncovered areas build toward massive rewards. Super Free Spins raise the stakes even more, with coins that stick and sink as Lucy's greatest treasures reveal themselves, all on the path to a max win of 20,000 times your bet!

In response to evolving player preferences in gameplay, Slotmill games incorporate three integrated excitement-enhancing features: 'Burst Mode,' 'Fast Track,' and 'Xtra-Bet.'

Burst Mode functions as an enhanced auto-play, completing two game rounds per second.

Fast Track provides players with the option to access the games' bonus features directly, while Xtra-Bet enables players to augment their bets, thereby increasing their chances of winning a bonus round. These features have garnered immense popularity among players.
