

Rainbow Rush

Step into a lively Irish wonderland filled with rolling green hills, shimmering rainbows, and pots of gold in this vibrant new video slot. Set on a 5x6 reel layout with 20 magical paylines, the game offers the chance for truly legendary wins of up to 12,000x your bet. Leading the charge are the Rainbow Wilds, bursting with colour and luck. These Wilds expand downward, transforming every position they cover into a Wild symbol. As the rainbow grows, so does the reward, with multipliers increasing up to an impressive x6.

Follow the trail of gold into the Golden Pots Free Spins feature, where Rainbow Wilds appear more frequently, lighting up the reels with Irish fortune. For those truly blessed by luck, Super Free Spins can be triggered — turning all Rainbow Wilds into radiant Golden Expanding Wilds that expand in both directions, showering the reels with colour, coins, and colossal win potential.

In response to evolving player preferences in gameplay, Slotmill games incorporate three integrated excitement-enhancing features: 'Burst Mode,' 'Fast Track,' and 'Xtra-Bet.

Burst Mode functions as an enhanced auto-play, completing two game rounds per second.

Fast Track provides players with the option to access the games' bonus features directly, while Xtra-Bet enables players to augment their bets, thereby increasing their chances of winning a bonus round. These features have garnered immense popularity among players.
