

Ultra Fruit Smash

After the massive success of Super Fruit Smash, the fruity fun explodes to all-new levels with Ultra Fruit Smash — a vibrant Avalanche slot packed with bigger multipliers, juicier features, and a colossal max win of 20 000x your bet!

This Ultra edition supercharges the gameplay with Golden Multiplier Bananas, Multiplier Chests, and Giant Symbols up to 4x4 carrying multipliers as high as x1000. Each Avalanche ramps up the Win Multiplier, sending the excitement sky-high as wins build and fruits keep dropping! During Free Spins, your Win Multiplier never resets — and in Super Free Spins, Giant Fruits and Wilds crash onto the grid every spin for an all-out, ultra-charged experience bursting with win potential!

In response to evolving player preferences in gameplay, Slotmill games incorporate three integrated excitement-enhancing features: 'Burst Mode,' 'Fast Track,' and 'Xtra-Bet.

Burst Mode functions as an enhanced auto-play, completing two game rounds per second.

Fast Track provides players with the option to access the games' bonus features directly, while Xtra-Bet enables players to augment their bets, thereby increasing their chances of winning a bonus round. These features have garnered immense popularity among players.
