

EMBERFALL 40K

Emberfall 40k

The fiery Scatter Pays sensation returns, now blazing hotter than ever with a scorching 40,000x max win!

Set on a molten 6x6 grid, Emberfall 40k brings back the explosive action you love, where every win powers the Progressive Win Multiplier, doubling with each consecutive win to unlock incredible reward potential. Giant Symbols up to 4x4 crash onto the reels, igniting massive payouts and thrilling chain reactions with every spin.

The heat intensifies in Free Spins, where the multiplier does not reset between spins, building the potential for truly legendary rewards. Then, step into the Super Bonus, where a Giant Symbol lands on every spin, supercharging the grid for fiery wins.

But the inferno reaches its peak in the Super Mode Super Bonus, where 3x3, 4x4, or multiple 2x2 Giant Symbols dominate the reels on every spin, unleashing explosive payouts and nonstop excitement. With blazing gameplay, supercharged features, and colossal win potential, Emberfall 40k is your chance to rise from the embers and claim ultimate glory!

In response to evolving player preferences in gameplay, Slotmill games incorporate three integrated excitement-enhancing features: 'Burst Mode,' 'Fast Track,' and 'Xtra-Bet'.

Burst Mode functions as an enhanced auto-play, completing two game rounds per second.

Fast Track provides players with the option to access the games' bonus features directly, while Xtra-Bet enables players to augment their bets, thereby increasing their chances of winning a bonus round. These features have garnered immense popularity among players.
